

Pets!

If you brought a pet (or two) with you to the Atlantis, please follow **ALL** of our pet rules.

That said, the **three most important rules** are:

 **1. It is required by law that all pets be on a leash no more than 6 feet long when they are outside.**

There are ONLY TWO exceptions to this:

1. They can be off-leash when they are playing IN the ocean.
2. They MUST be off-leash when they are playing in the Atlantis Lodge Dog Park.

 **2. Always pick up after your pet.**

Scoops have been provided around the property, so please scoop poop into nearby bushes. When on or near the beach please use the bags and special waste receptacle available on the beach deck.

 **3. No barking.**

We understand the occasional “hello” bark, but continuous barking is not permitted. Please do not leave your pet in your room if s/he is inclined to bark, howl, or cry. Try turning the TV to Animal Planet or The Discovery Channel – pets seem to like it.

Additional Pet Rules

Please cover the bedspread, blanket, or sofa in your room with the “pet sheet” provided.

If your pet has an “accident” in the room (we understand these things happen), please let the Front Desk know immediately so we can have it cleaned up as quickly as possible.

There is a pet-wash station next to the beach walk with complimentary shampoo and conditioner (please let us know if these need refilling). The Front Desk will also be happy to provide you with towels for drying.

Any excessive housekeeping, maintenance, or destruction of property caused by pets will be charged to your room.

THANK YOU!
